Secretary's Report – Mark Spangler reported that previous meeting minutes was sent out through email. There were no changes.

*TU TN License Plate* - George going to have Mark Spangler come up a plan to properly handle the funding and audit of funds received from license plate sales. TU license plates sales going slow as reported by Dick Davis. We need to increase sales as we are only 23% of our way to the goal and must have 1,000 sales by June 30, 2008.

TU National Meeting - Well represented by Tennessee. Linda Goode received the Youth Education Leadership award for her work on the Back the Brookie Education DVD that will be rolled out to high schools this fall. Nomination letters were written by Mark Spangler – former BTB Chair, George Lane– Council Chair, Steve Moore – GSMNP Fisheries Steve Brown - NLC and Bob Savory – High School Educator at Bearden High School. It was very emotional for Linda as Joe Bogle her mate was an inspiration for Linda's work on the DVD. Rick Murphy spoke about the controversy concerning public access. TU is going to go back and look at the issue further.

TU is also in the process of setting up a Home Rivers Initiative program in Central Virginia to restore native wild trout. Gary Berti will be heading up the program.

*Leadership Training Session* – Gary Berti Back the Brookie Eastern Coordinator gave a leadership training session on Paint Creek at the 4H Center in Greene County. Some of the topics covered where training will consist of how to implement an on stream project. An email will be sent out on all the details.

- ② Native Trout Focusing On Tennessee
- ② TU's New Mode – Protect Restore Reconnect Restore
- ② TU' Conservation Success Index
  1. Purpose of CSI
  2. Using CSI in Tennessee
