Project Details

Briefly describe the proposed projects, including the location, goals and general time line. Goals should be achievable and measurable (e.g., hundreds of feet of stream restored, number of people participating in project). Provide enough detail so that it is clear how requested funds will be used to meet the goals.

Project Title

What type of trout population is the primary conservation target for this project?	Native brook trout Naturalized, wild trout Stocked trout No specific target
--	--

How does this project advance the mission of Trout Unlimited in Tennessee (to conserve, protect and restore Tennessee's coldwater fisheries)? *1000 characters max*

What is the expected volunteer contribution from TU chapters, the council or any partner organization? Please estimate the number of volunteer hours. *500 characters max*

Does this project primarily aim to educate people about Trout Unlimited and its mission?	Yes No
--	-----------

If yes to above, please describe how the educational program will be used to advance the conservation goals of TCTU. *1000 characters max*

Project Title

What are the plans to communicate this project beyond the local chapter (press releases, social media pushes, outreach events, etc.)? *1000 characters max*

Project Budget

Please provide budget details, including an itemized list of expenses with expected funding sources, below. Volunteer hours are currently valued at \$27.20/hr. Total itemized costs should match "Total Project Budget".
Example budget line: Orvis Encounter Waders - TCTU CGP - \$75 - 10 pairs - \$750

**Total requested from
TCTU CGP**

**Total match from other
sources**

Total Project Budget

Item or Expense	Cost/Unit	Units Needed	Total requested from TCTU CGP	Total from other sources
-----------------	-----------	--------------	----------------------------------	-----------------------------
